

Elkdale Chronology - p. 4

8/30/84 - John K. & I complete the outhouse at about 9 PM - very gratifying; I put the shingles on the roof.

9/4/84 - painted outhouse green - used two gallons of paint from Roy Crocker (\$5.00) + 2.50 brush + \$5.00 piece of glass for outhouse door.

9/5/84 - purchased an oil filled electric radiator (No Shetland Company, Inc. Boston, MA 02118) at Ames for \$39.10. - model 8A; the machine is made in Austria.

9/24/84 - salmon pink paint applied on inside of outhouse; metal "insect protector" applied yesterday - 9-25-84; RTP supplied the piece of metal for the protector.

10/05/84 - four more large trees - locust & black cherry - cut down on the west lawn; also Job squared-up the SE corner of the Cemetery wall; much brush along the East wall of the Cemetery cleared by Job & SRP

10/07/84 - SRP cleaned up the NE corner of the Cemetery - cut scrub brush & trimmed lilac trees and cut down one or two locust seedlings; the East wall of the Cemetery now looks grand - Job & I will "tidy up" the wall.

7-27-84 - purchase Kerohest (CV 2000) - personal heater at Ames Dept. Store - \$89.88, and give it a trial run on the very chilly July night - a great success.

08-01-84 - phone line put in out front - using PPL poles - I may have a phone by the end of the week - who knows.

08-04-84 - John K. spent the evening of 08-03-84 so that we could begin on the shingling at 8 AM - we did & we spent the whole day working & got about 1/3 of the Shaddock side of the roof re-shingled; I cut down several trees and lots of brush at the back of the building. While John shingled; I was the "Slave" who delivered the shingles & paper to the roof; John, bless his heart, did the shingling. I couldn't have done it sans him.

08-05-84 - John K. & I shingle from 2 - 8:30 PM - the Shaddock side is now about half finished; today it was overcast & somewhat cool and ideal for shingling, as opposed to yesterday, which was very hot.

8-7-84 - phone installed by Russell Henry - 678-2979

8-9-84 - Hank Coftun telephoned - my first call received - 9 PM - he has arranged interview for Radio for me on Monday at 3 PM

8-9-84 - arranged for garbage pick up on 8-10-84 - Writask Puthin removal in Union Dale; 50 cents/ bag - I can call when I need a pick up; 7 bags put out on evening of 8-9-84 for 8-10-84 pick up.

8-11-84 - Roof completed - tar put around Chimney & around PPL pole entrance to the building; John K. & I removed the gas heater pipes that hung in the back of the hall.
